POLICY STATEMENT
Equal Employment Opportunity &
Affirmative Action Plan

It is the policy of Regional Transportation Authority (“RTA”) to seek and employ qualified individuals in all job
classifications and in all of its facilities and locations, and provide equal employment opportunities without regard
to race, color, religion, sex, national origin, age, disability, marital status, veteran status, sexual orientation, genetic
information, gender identity, or any other protected characteristic under applicable law.

This policy relates to all phases of employment, including, but not limited to, recruiting, employment, placement,
promotion, transfer, demotion, reduction of workforce and termination, rates of pay or other forms of
compensation, selection for training, the use of all facilities, and participation in all company-sponsored employee
activities. Provisions in applicable laws providing for bona fide occupational qualifications, business necessity or
age limitations will be adhered to by the company where appropriate.

The RTA is committed to assuring equal employment opportunity and equal access to services, programs and
activities for individuals with disabilities. It is the policy of the RTA to provide reasonable accommodation to a
qualified individual with a disability to enable such individual to perform the essential functions of the position for
which he/she is applying or in which he/she is employed. Further, it is the policy of the RTA to provide reasonable
accommodation for religious observers.

As part of the company’s equal employment opportunity policy, the RTA will also take affirmative action as called
for by applicable laws and Executive Orders to ensure that minority group individuals, women, disabled veterans,
recently separated veterans, other protected veterans, Armed Forces service medal veterans, and qualified
persons with disabilities, as defined by the Americans with Disabilities Act of 1990 and other applicable federal,
state and local laws are introduced into our workforce and considered for promotional opportunities. The RTA is
committed to its Affirmative Action Plan in order to overcome the effects of past discrimination on minorities and
women. This commitment to equal opportunity is a fundamental RTA policy.

The responsibility for administering the Affirmative Action Plan is assigned to the General Counsel who serves as
the RTA’s Equal Employment Opportunity (“EEO”) Officer. However, all RTA management personnel share in this
responsibility and are assigned specific tasks to carry out the Affirmative Action Plan.

This Policy Statement is conspicuously posted in common areas accessible to employees, applicants and the
general public to inform individuals that they have the right to file complaints alleging discrimination with the RTA
EEO Officer or the Director, Human Resources. Individuals may also report the allegation directly to the RTA Ethics
Officer or the Office of Executive Inspector General, or the Illinois Department of Human Rights. For allegations of
harassment or discrimination by a member of Senior Staff, employees may also contact the Chair of the Board’s
Compensation Committee.

Management performance in the RTA’s Affirmative Action Plan will be evaluated on the success of the Affirmative
Action Plan and with the same rigorous standards as are applied on all other RTA goals.
The RTA realizes that successful achievement of Affirmative Action and EEO goals will provide benefits through greater utilization and development of previously underutilized human resources, and that this policy requires and has the full commitment of RTA staff.
