Thank you for your interest in doing business with the Regional Transportation Authority (“RTA”). The RTA has developed an Annual Procurement Plan to assist you in your efforts to compete for contracting opportunities. The RTA Annual Procurement Plan contains anticipated procurements and is subject to change at any time without notice.

The (RTA) seeks to do business with experienced and responsible firms while following an open and transparent competitive process to procure products and services. The RTA standards include utilization of best industry practices that promote accountability, transparency and efficiency in our procurement processes.

The RTA invites you to register your company with the RTA Supplier Portal at <http://rtachicago.org/supplierportal> to receive notifications on all solicitations. Once registered, vendors will receive notifications for bids by e-mail, be able to view RTA’s solicitations, access documents, submit bids/proposals and manage your vendor information.

Open solicitations are available on the RTA Supplier Portal for review and download by registered vendors. Formal solicitations may be published in the Chicago Sun-Times, LaRaza and/or Chicago Defender newspapers.

Registering your firm into the RTA’s Supplier Portal <http://rtachicago.org/supplierportal> will allow us to include you in future solicitations. RTA’S policy is to ensure that Disadvantaged Business Enterprises (DBEs) and Small Business Enterprises (SBEs or “small business concerns”) as defined in 49 CFR 26, have an equal opportunity to receive and participate in United States Department of Transportation (USDOT) assisted contracts.
