For which project type are you applying? (Choose one – You may apply for more than one type of assistance by completing a separate application form.) Neighborhood Mobility Improvement and Mobility Hub Plan

Neighborhood Mobility Improvement and Mobility Hub Plan

Describe the proposed study area boundaries for your project using streets, geographic features, jurisdictional boundaries, etc. Please specify who has roadway jurisdiction and where mobility improvements or a mobility hub are needed:

The proposed study area will utilize Village owned parcels and the right of way along the Metra North Central Service Line (a Canadian National line) to better connect the existing Wheeling Metra Station with Dundee Road (IDOT) to the north so as to better access Pace Route 234, and Wheeling Road to the south to connect with a newly completed 55 unit affordable workforce housing development (Union Apartments) to the south through pedestrian infrastructure improvements.

What existing transportation services already exist in the study area? (Name rail stations, bus routes, bike share, car share, etc.)

Metra North Central Service Line
Pace Bus Route 234

What existing plan, if applicable, will this plan build from or be an update to? (Include link to plan) This implementation plan would build upon the findings and recommendations of both the Active Transportation Plan (approved in 2013) and the Station Area Plan (approved in 2019) both of these plans can be found at the following link to the Village of Wheeling Comprehensive Planning page on our website
<https://www.wheelingil.gov/175/Comprehensive-Plan>

What is the goal of this plan? What mobility challenges are you looking to resolve? The goal of this implementation plan is to better connect the Village of Wheeling transportation assets with recently completed affordable workforce housing, the Village Town Center, and Heritage Park & Community Recreation Center

What are the primary mobility concerns to be addressed with this plan? (Select all that apply) Pedestrian infrastructure (sidewalks, crossings, etc.)

The RTA strives to advance community empowerment and equitable opportunities for all residents through our program. If selected, do you commit to working with the RTA to ensure all residents have an opportunity to participate during the planning process and that plan recommendations will include equitable solutions to transportation and policy? Yes

Is there any additional information you want us to know? No

Please upload a map of the proposed study area: <https://www.formstack.com/admin/download/file/16093971909>
