**INDEPENDENT AUDITORS' REPORT**

To the Chairman and Members of  
the Board of Directors of  
the Regional Transportation Authority

***Report on Compliance with Grant Agreement Requirements***

We have audited the Regional Transportation Authority's ("RTA") compliance with the types of compliance requirements set forth in Item 3 of Illinois Department of Transportation ("IDOT") Grant No. OPN-13-001-ILL Contract No. 4505, as described in Note 2, that could have a direct and material effect on the Paratransit Service Funding Assistance ("ADA") grant agreement between RTA and IDOT, as directed by IDOT, for the grant period of July 1, 2012 to June 30, 2013.

***Management's Responsibility***

Management is responsible for the compliance with the requirements of the grant agreement and grant agreement amendments, if any, between IDOT and RTA that are applicable to the ADA grant.

***Auditors' Responsibility***

Our responsibility is to express an opinion on RTA's compliance based on our audit of compliance with the types of requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America and the grant agreement requirements as directed by IDOT. Those standards and guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the ADA grant occurred. An audit includes examining, on a test basis, evidence about RTA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion. However, our audit does not provide a legal determination on RTA's compliance with those requirements.

***Opinion***

In our opinion, RTA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the ADA grant for the grant period July 1, 2012 to June 30, 2013.

To the Chairman and Members of the Board of Directors of  
the Regional Transportation Authority

### ***Report on Internal Control over Compliance***

The management of RTA is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered RTA's internal control over compliance with the types of requirements that could have a direct and material effect on the ADA grant to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance on the ADA grant and to test and report on internal control over compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RTA's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph in this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

### ***Purpose of this Report***

The purpose of this report on compliance is solely to describe the scope of our testing of RTA's compliance with the types of compliance requirements described in Item 3 of the grant agreement between RTA and IDOT for Grant No. OPN-13-001-ILL Contract No. 4505, and the results of that testing based on the requirements. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of the RTA's Management and Board of Directors and IDOT and is not intended to be, and should not be, used by anyone other than these specified parties.

## INDEPENDENT AUDITORS' REPORT

To the Chairman and Members of  
the Board of Directors of  
the Regional Transportation Authority

### ***Report on the Schedule of Grant Costs Claimed for Reimbursement***

We have audited the accompanying Schedule of Grant Revenues and Expenditures (the "Schedule") of IDOT funded Grant No. OPN-13-001-ILL for the grant period of July 1, 2012 through June 30, 2013.

### ***Management's Responsibility***

Management is responsible for the preparation and fair presentation of the Schedule in accordance with the terms set forth in Item 3 of the agreement between RTA and IDOT in Grant No. OPN-13-001-ILL; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedule that is free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on this Schedule based on our audit for the grant period of July 1, 2012 through June 30, 2013, as described in the Notes to the Schedule of Grant Revenues and Expenditures. We conducted our audit of the Schedule in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Schedule is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Chairman and Members of the Board of Directors of  
the Regional Transportation Authority

**Opinion**

In our opinion, the Schedule referred to above presents fairly, in all material respects, the grant revenues and expenditures of IDOT funded Grant No. OPN-13-001-ILL for the grant period of July 1, 2012 through June 30, 2013 in accordance with the terms set forth in Item 3 of the agreement between RTA and IDOT in Grant No. OPN-13-001-ILL.

**Basis of Accounting**

As described in the accompanying Notes, this Schedule was prepared for the purpose of complying with terms set forth in Item 3 of the agreement between RTA and IDOT in Grant No. OPN-13-001-ILL and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**Restriction on Use**

This report is intended solely for the information and use of the RTA's Management and Board of Directors and IDOT and is not intended to be, and should not be, used by anyone other than these specified parties.
